

Nedo® Product Information

New
Now with metal
prism protection

Nedo X-Liner 3D green

New: Now even more robust

Self-levelling multi-line laser with green 3 x 360° laser lines.

Highly visible green laser lines and robust self-levelling allow for quick and easy levelling, aligning, plumbing and marking off right angles in interior outfitting.

Features:

- Laser cross on 4 walls, floor and ceiling
- Green laser lines for maximum visibility
- Puls mode for operation with optional laser receiver ACCEPTOR X green
- Robust design for tough use on construction site
- Sturdy housing, splash-proof as per IP 54
- New: with metal prism protection
- Reliable self-levelling with magnetic damping
- 1/4" and 5/8" connection thread
- Li-Ion battery pack, charger and extra battery box for 4 x AA 1.5 V batteries
- Height adjustable, multifunctional wall mount

Perfect for quick and precise levelling, aligning and marking off right angles, especially for applications such as:

- Metre marking in interior work
- Dry lining
- Ceiling construction
- Tiling
- Installation of doors and windows
- Steel construction

Scope of delivery **X-Liner 3D green**:
X-Liner 3D green, multifunctional
wall mount, target board, rechargeable
batteries, charger and transport case
Ref.-No. 460 882

Nedo X-Liner 3D green

Ref.-No.	460 882
Accuracy	± 0.3 mm/m
Self-levelling range	± 3°
Working range Ø	approx. 50 m without receiver approx. 120 m with receiver
Laser	laser class 2, 515 nm
Protection class	IP 54
Power supply	Li-Ion rechargeable batteries 7,4 V, 2600 mAh or 4 x 1,5 V type AA
Operation duration	up to 25 h
Connecting thread	1/4" and 5/8"

Technical data subject to change
